

I've written 2 letters to comfort
father & mother from them - now
I want the money down

Camp Parole Oct 24th / 63

Dear Parents & Sister

I received that receipt
yesterday noon & the Box
came at supper time all
right, Chicken as fresh as
when you put it up.

Pepper, Cheese, Snuff, Sugar,
Tea, Handkerchiefs, Suspenders
&c all here. Handkerchiefs is
just the same they asked me
45 cts for & is just what I
wanted Suspenders are the
kind I want. The pair I got
are too good but I could not
get any others: cost 75 cts
They will last Father a long
time: when he gets them I've
not sent them yet but will
as soon as I can get stand
As

You cannot get stamps
here for love or money
Cranberries & Dried Apples
all right. I got letter No⁵
with the \$1. last Monday but
thought I would not write
till I got the Box; but
Wednesday we had to pack
up & come up here. Cos
you sent the Box. There is
no prospect of our being
exchanged, probably not
this winter. Not till New
Year at any rate. No prisoners
have come from Richmond
since I came. I was a
lucky dog once in my life
Did you get that description
of how the prisoners were used
I sent you. The Express office
is not more than 2 rods
from where I live & the
man that keeps the office

used to belong to the 2^d Regt
Regt & I knew me well
Solon Walton told me last
spring he should join the
Band if he could. He might
have been Sicut if he had
wanted; but a Cavalry Officer
on Horse-back, is a good mark to
shoot at. Probably he thought
his life was worth more than
80, or 100, a month to him
If you want to sell your
watch you can send it
by Express. If you don't like
to part with it say so
I reckon it would be hard
to tell which that inscription
on Parkers grave stone meant
Yim or Esther I don't hear
anything from Regt; There will
not be any trouble there
There will be trouble in raising
the next 300,000 I'm thinking

I see Mass. has got to raise
15, 288 I believe for her quota
There is a camp close here
where soldiers having out a year
to serve can enlist again for
3 years & get 402. & a 30 day
furlough. but wo. of it is what
they owe us on the 2 yrs gone
by. There is no chance to come
home from here. No furloughs
are allowed. If you send
the wath put it in a little
box with cotton & tell them
what it is & send receipt
I am getting fat & saucy
Be sure & put on C & Ryt on
all letters & C for all each
state has a Jr. Officer

I got Flag & 2 Herald Money
All mail sent to Barrett
Come here for all hands
Come from there at once
Write soon

Yours Truly

J. E. Green
