

Camp Parole March 10th /64

Dear Parents & Sister

I received your letter with the money all right last night. It was as much as I wanted if I come. We have not heard from our furloughs, but I think we shall get them certain. The Post Adjutant told one of us yesterday that we should have them immediately. We can ^{get} transportation from Baltimore certain & most of the men get it from here. It only costs \$1.50 from here to Baltimore. All the trouble about our having furloughs is, that is possible there may be an exchange, but it is

not at all probable there
will be any at present
The Ince Boat brought
down 600 men from the
Island at Richmond yes-
terday

There is nothing new to write
about

That man I wrote you about
(Patten) was examined and
opened but there was nothing
about him or in his stomach
that would cause his death
The Doctors brought in
that his death came from
natural causes. His watch
pocket that he carried his
money in, was cut out
Doctors dont know every-
thing now a days

There is a lot of Troops coming
here to rendezvous (I think that
spelt right) for an expedition

under Burnside. The
56th Mass is coming for
me I am well & hope
this will find you the same
In Father's hand any better
Did you get a Harpers
from me with E W Green
picture in it

But I must stop
Hoping to hear from you
soon I remain
Yours truly

E W Green
