Comp. Parole Feb 6th West

Dear Parents & Sister

All done. I've got a letter the 1st for over 2 weeks I began to think I was forsaken certainly. What is the trouble with the mail. Every body has been swearing about letters and the Paymaster for the past 2 weeks. The telegraph was here a week ago yesterday for the Colonel here to have a Clerk for him as his Clerk was sick. Since then they have not heard from him.

I sent you a paper the other day. have you got it. When you write again put on 3rd Battalion instead of Company & Regi-

For there is a lot of Budars
Sharpshooters here & perhaps
my letters get among them
There is nothing to write
about from here I will
write in a day or so again
It is dinner time & I must
stop You have a bad time
with your cat dont you
No signs of an exchange
yet Hoping you are all as
well as I am

I remain
Yours Truly
